H.R. 2643

To authorize the acquisition of additional lands for inclusion in the Fort Clatsop National Memorial in the State of Oregon, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

July 25, 2001

Mr. Wu (for himself, Mr. Baird, and Mr. Souder) introduced the following bill; which was referred to the Committee on Resources

A BILL

To authorize the acquisition of additional lands for inclusion in the Fort Clatsop National Memorial in the State of Oregon, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Fort Clatsop National
- 5 Memorial Expansion Act of 2001".
- 6 SEC. 2. FINDINGS.
- 7 The Congress finds the following:
- 8 (1) Fort Clatsop National Memorial is the only
- 9 unit of the National Park System solely dedicated to
- the Lewis and Clark Expedition.

- (2) In 1805, the members of the Lewis and Clark Expedition built Fort Clatsop at the mouth of the Columbia River near Astoria, Oregon, and they spent 106 days at the fort waiting for the end of winter and preparing for their journey home.
 - (3) In 1958, Congress enacted Public Law 85–435 authorizing the establishment of Fort Clatsop National Memorial for the purpose of commemorating the culmination, and the winter encampment, of the Lewis and Clark Expedition following its successful crossing of the North American continent.
 - (4) The 1995 General Management Plan for Fort Clatsop National Memorial, prepared with input from the local community, recommends the expansion of the memorial to include the trail used by expedition members to access the Pacific Ocean from the fort and the shore and forest lands surrounding the fort and trail to protect their natural settings.
 - (5) The area near present day McGowan, Washington, where the Lewis and Clark Expedition first camped after reaching the Pacific Ocean, known as the "Station Camp" site, and where they performed detailed surveying and conducted the historic vote to determine where to spend the winter, is of undisputed national significance.

- 1 (6) The National Park Service and State of 2 Washington should identify the best alternative for 3 adequately and cost effectively protecting and inter-4 preting the Station Camp site.
 - (7) Expansion of Fort Clatsop National Memorial requires Federal legislation because the size of the memorial is currently limited by statute to 130 acres.
 - (8) Congressional action to allow for the expansion of Fort Clatsop National Memorial to include both the trail to the Pacific Ocean and the Station Camp site would be both timely and appropriate before the start of the bicentennial celebration of the Lewis and Clark Expedition planned to take place during the years 2004 through 2006.
 - (9) The National Park Service, in a formal partnership with the States of Washington and Oregon and relevant Indian tribes, should conduct a comprehensive study of alternative mechanisms for the long-term protection of, and visitation to, Lewis and Clark sites along the lower Columbia River and the short-term implementations of bicentennial commemoration activities. The sites which should be studied include the Megler Rest Area and Fort Canby State Park with the goal of adding these sites

- 1 to the Fort Clatsop National Memorial in a fashion
- 2 that is mutually agreeable to the National Park
- 3 Service and the States of Washington and Oregon.
- 4 SEC. 3. EXPANSION OF FORT CLATSOP NATIONAL MEMO-
- 5 RIAL, OREGON.
- 6 (a) REVISED BOUNDARIES.—Section 2 of Public Law
- 7 85–435 (16 U.S.C. 450mm–1) is amended—
- 8 (1) by inserting "(a) Initial Designation of
- 9 Lands.—" before "The Secretary";
- 10 (2) by striking "coast:" and all that follows
- through the end of the sentence and inserting
- 12 "coast."; and
- 13 (3) by adding at the end the following new sub-
- 14 sections:
- 15 "(b) AUTHORIZED EXPANSION.—The Fort Clatsop
- 16 National Memorial shall also include the lands depicted
- 17 on the map entitled 'Fort Clatsop Boundary Map', num-
- 18 bered '405–80016–CCO', and dated June 1996. The Sec-
- 19 retary shall maintain in an undeveloped state a visual
- 20 buffer zone between a commemorative trail that will run
- 21 through the property and adjacent private lands.
- 22 "(c) Maximum Designated Area.—The total area
- 23 designated as the Fort Clatsop National Memorial shall
- 24 not exceed 1,500 acres.".

(b) Authorized Acquisition Methods.—Section
3 of Public Law 85–435 (16 U.S.C. 450mm–2) is
amended—
(1) by inserting "(a) Acquisition Meth-
ods.—" before "Within"; and
(2) by adding at the end the following new sub-
section:
"(b) LIMITATION.—The lands depicted on the map
referred to in section 2(b) may be acquired only by dona-
tion or purchase from willing sellers, with the exception
of corporately owned timberlands.".
